THE CITY COUNCIL OF THE CITY OF GIG HARBOR, WASHINGTON, ORDAINS AS FOLLOWS:

Section 1. Findings. The Gig Harbor City Council makes the following findings:

A. That the severe housing and commercial market downturn coupled with the tightening of credit markets significantly impacted the construction industry and posed a threat to the local economy and the general public health, safety and welfare due to reductions in construction-related taxes and revenues and loss of construction related jobs; and

B. That long term affect of these conditions requires actions to be taken to allow for the continued extension of certain existing development related approvals that were previously granted extension; and

C. That such extensions will benefit the local economy by helping to protect the construction industry from the significant financial losses associated

with expired development approvals and permits, including the loss of real estate entitlements, and will better enable the local construction industry to recover as the economy improves.

Section 2. Temporary Extensions.

A. Authority. Based on the above findings, the City Council hereby authorizes the Planning Director to extend the expiration date until November 30, 2015 for permits previously granted extensions under Ordinance 1225.
