

## ORDINANCE NO. 1248

AN ORDINANCE OF THE CITY OF GIG HARBOR, WASHINGTON, ADOPTING INTERIM DEVELOPMENT REGULATIONS RELATING TO DEVELOPMENT IN SPECIAL FLOOD HAZARD AREAS AND WITHIN 200 FEET LANDWARD OF SPECIAL FLOOD HAZARD AREAS; MAKING FINDINGS OF FACT; REQUIRING A HABITAT ASSESSMENT OR LETTER FROM NMFS OR FEMA ESTABLISHING COMPLIANCE WITH THE ENDANGERED SPECIES ACT; SETTING A PUBLIC HEARING FOR NOVEMBER 13, 2012, IN ORDER TO TAKE PUBLIC TESTIMONY REGARDING THE INTERIM DEVELOPMENT REGULATIONS; PROVIDING FOR SEVERABILITY; DECLARING AN EMERGENCY AND ESTABLISHING AN IMMEDIATE EFFECTIVE DATE.

---

WHEREAS, in *National Wildlife Federation and Public Employees for Environmental Responsibility v. Federal Emergency Management Agency, et al.*, 345 F. Supp. 2d 1151 (2004), the United States District Court for the Western District of Washington ruled that the Federal Emergency Management Agency ("FEMA") must undergo formal consultation under Section 7 of the Endangered Species Act ("ESA") because the implementation of the National Flood Insurance Program ("NFIP") may affect listed species found in the Puget Sound Region; and

WHEREAS, as a result of the consultation, National Marine Fisheries Service ("NMFS") issued a Biological Opinion on September 22, 2008, that documented the adverse effects of FEMA's NFIP on listed species found in the Puget Sound Region, which includes Puget Sound Chinook Salmon, Puget Sound Steelhead and Southern Resident Killer Whales; and

WHEREAS, cities that participate in the NFIP must demonstrate compliance with the Biological Opinion by choosing one of three options provided by FEMA: Option #1 - adopt the FEMA-developed ESA compliant model ordinance; Option #2 - meet FEMA checklist for ESA compliance with current regulations; or Option #3 - permit by permit demonstration of ESA compliance; and

WHEREAS, the City is currently undergoing review by FEMA for Option #2 but that option cannot become effective until the City completes the update of its Shoreline Master Program; and

WHEREAS, in anticipation of the requirements for Option #2 being met, on September 26, 2011, the City Council adopted Ordinance No. 1223 which adopted interim regulations for a period of six months implementing Option #3 while the City awaited meeting the requirements for Option #2. Ordinance No. 1223 was extended another six months under Ordinance No. 1234; and

WHEREAS, the interim regulations adopted under Ordinance No. 1223 as extended under Ordinance No. 1234 expire on September 26, 2012; and

WHEREAS, because the provisions of the interim regulations expire on September 26, 2012 and the City is unable to hold a public hearing prior to the expiration, the Gig Harbor City Council has determined that an emergency exists which necessitates that this ordinance be

enacted as a new interim development regulation on an emergency basis in order to preserve the public health, safety, and welfare and to avoid vesting of development applications that are contrary to the provisions of this ordinance;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GIG HARBOR, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. Findings. The recitals set forth above are hereby adopted as the Gig Harbor City Council's findings in support of the interim development regulations imposed by this ordinance.
