Section 3. Section 19.08.040 of the Gig Harbor Municipal Code is hereby repealed.

Section 4. A new Section 19.08.040 is hereby added to the Gig Harbor Municipal Code to read as follows:

19.08.040 Processing procedure for development agreements.

A. A development agreement associated with a legislative action such as a comprehensive plan amendment or area-wide rezone shall be processed in accordance with the procedures established in this Title, except as provided for in subsection C. The Planning Commission shall make its recommendation on any development agreement relating to legislative action to the City Council. A public hearing shall be held on the

development agreement and if approved, the Council shall authorize the Mayor, in a resolution or ordinance, to execute the development agreement on behalf of the City.

B. A development agreement associated with a project permit application shall be processed in accordance with the procedures established in this Title, except as provided for in subsection C.

1. If the final decision on the underlying project permit application is made by the Hearing Examiner, then the Hearing Examiner shall consider both the project permit application and the proposed development agreement together during the public hearing. The Hearing Examiner shall make a recommendation to the Council on the development agreement and his/her decision on the underlying project permit application shall be held in abeyance until the City Council considers the proposed development agreement in a public hearing. If the City Council approves the development agreement, the Council shall, by resolution or ordinance, authorize the Mayor to execute the development agreement on behalf of the City. At this point, the Hearing Examiner may then issue his/her final decision on the underlying project permit application. Nothing in this section obligates the Hearing Examiner to forward a recommendation to the City Council for further consideration if the Hearing Examiner denies the underlying project permit application.

2. If the final decision on the underlying project permit application is made by the City administrative staff, then the City staff shall consider both the project permit application and the proposed development agreement together. The City staff shall make a recommendation to the Council on the development agreement, and the City staff's decision on the underlying project permit application shall be held in abeyance until the City Council considers the proposed development agreement in a public hearing. If the City Council approves the development agreement, the Council shall, by resolution or ordinance, authorize the Mayor to execute the development agreement on behalf of the City. At this point, the City staff may then issue its final decision on the underlying project permit application. Nothing in this section obligates City staff to forward a recommendation to the City Council for further consideration if City staff denies the underlying project permit application.

3. If a final decision on an underlying project permit application has been previously made by the Hearing Examiner or City administrative staff and the application was approved, the City staff shall make a recommendation to the Council on the development agreement. A public hearing shall be held on the development agreement and if approved, the Council shall authorize the Mayor, in a resolution or ordinance, to execute the development agreement on behalf of the City.

C. A development agreement associated with property in a Planned Community Development land use designation shall be processed in accordance with the procedures established in this Title. The Council shall consider the proposed development agreement at a regular council

meeting and decide if the agreement should be processed further. If a majority of the whole Council approves further review of the development agreement, the agreement shall be reviewed as follows:

1. If the development agreement is associated with a legislative action, the Planning Commission shall make a recommendation to the Council on the development agreement. The Council shall hold a public hearing on the development agreement and if approved, the Council shall authorize the Mayor, in a resolution or ordinance, to execute the development agreement on behalf of the City.

2. If the development agreement is associated with a project permit application or not associated with any underlying action, the Planning and Building Committee of the Council shall make a recommendation to the Council on the development agreement. The Council shall hold a public hearing on the development agreement and if approved, the Council shall authorize the Mayor, in a resolution or ordinance, to execute the development agreement on behalf of the City.

D. Public Notice. All public meetings and public hearings on a development agreement shall be noticed as follows:

1. Not less than ten days prior to the public hearing date, a notice of the public hearing shall be sent to property owners within 300 feet of the property subject to the development agreement and to others who have submitted comments and/or requested notice.

2. Notice of the public hearing shall be posted on the property subject to the development agreement not less than ten days prior to the hearing date. Notice shall be posted in the manner required by GHMC 19.03.001(A)(1).

3. Notice of the public meeting shall be published in the city's official newspaper not less than ten days prior to the meeting date.

4. The notice of the public hearing shall contain all items listed in GHMC 19.03.003(A).

5. All costs associated with the public notice shall be borne by the applicant.

Section 5. Section 19.08.050 of the Gig Harbor Municipal Code shall be amended to read as follows:

19.08.050. No Deadline for Final Decision, Form of Agreement, Council Approval, Term, Recordation.

~~A. Form. All development agreements shall be in a form provided by the City Attorney's Office. The City attorney shall approve all development agreements for form prior to consideration by the planning commission.~~

A. Development agreements are not "project permit applications" as defined in RCW 36.70B.020. Therefore, there is no deadline for processing a development agreement. If an applicant requests that the City execute a development agreement as part of its approval of a project

permit application, the applicant must agree to sign a written waiver of the deadline for issuance of a final decision of the project permit application, so that the development agreement may be processed.

B. No development agreement shall be presented to the decision-making body unless in a form approved by the City Attorney. Every development agreement shall be signed by the property owner and all other parties with a substantial beneficial interest in the property that is the subject of the development agreement, prior to any public hearing held for the purpose of authorizing execution of the development agreement.

B.C. Term.

1. Development Agreements may be approved for a maximum period of ~~five~~ twenty years.

2. In determining the appropriate term for a development agreement, the Council should consider the type, size and location of development and phasing if proposed. The Council may consider shorter terms with extensions.

3. Extensions. If extensions are authorized in a development agreement, an applicant must request the extension at least 60 days prior to expiration. For development agreements associated with project permit applications, the Planning Director may grant an extension for up to five years if the applicant can satisfactorily show that, for a residential project, at least 50% of the residential units are constructed, or for non-residential and mixed use projects, at least 50% of the gross floor area is constructed. All other requests for extensions shall be reviewed by the City Council, unless another process is expressly provided for in the development agreement.

C.D. Recordation. A development agreement shall be recorded against the property, in the real property records of the Pierce County Assessor's Office. During the term of the development agreement, the agreement is binding on the parties and their successors, including the property owners in any area that is annexed to the City.

Section 6. Severability. If any section, sentence, clause or phrase of this Ordinance is held to be unconstitutional or invalid by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or unconstitutionality of any other section, sentence, clause or phrase of this Ordinance.

Section 7. Effective Date. This Ordinance shall take effect and be in full force on December 1, 2009.

PASSED by the Council and approved by the Mayor of the City of Gig Harbor, this 10th day of August, 2009.
