WHEREAS, the City's review of these individual, undeveloped lots and the sewer facilities needed to serve these lots disclosed that new extensions would be so expensive that the owners of these lots would not be able to afford to construct the extensions, under an LID, latecomers' agreement or otherwise; and

WHEREAS, the City Council has determined that it is in the best interests of the public health, safety and welfare to allow an exception to the prohibitions in the Gig Harbor Municipal Code, in order to accommodate these individual, undeveloped lots, as long as the property owners are still required to connect to the City's sewer system under the same conditions set forth in GHMC Section 13.28.100; and
