ORDINANCE NO. 100

An Ordinance regulating the size
of trees and shrubs within the
Town of Gig Harbor.

Be It Ordained by the Town of
Gig Harbor:

Section 1. All persons owning
or maintaining shade or ornament-
al trees or shrubs upon or in front
of the premises owned or occupied
by them shall keep the same
trimmed and in such condition so
as not to interrupt a clear vision
of both vehicles and foot traffic,
or interfere with the wire, poles
or fixtures maintained or owned by
any department of the Town of
Gig Harbor, or permit the same to
come in contact therewith or so
obstruct or interfere with any
lamp standard as to prevent the
proper diffusion of light therefrom.
Such owning or maintaining of
trees or shrubs is hereby declared
to be a public nuisance.

Section 2. Whenever any such
shade or ornamental trees or
shrubs shall interrupt a clear vis-
ion of either vehicles or foot traf-
fic or interfere with or come in
contact with wires, poles or fix-
tures maintained or belonging to
the Town of Gig Harbor, the own-
er or occupant of the premises in
which the same shall appertain
may be notified in writing to trim
or remove the same. Said notice
shall be signed by the Street Su-
perintendent of the Town of Gig
Harbor, and such owner or occu-
pant so notified shall within 10
days after the receipt of such no-
tice trim, prune, or remove said
trees and shrubs as required.
Should the owner of such prem-
ises be unknown or a non-resident
of Gig Harbor, or should personal
service not be obtained upon the
owner or occupant of such prem-
ises after reasonable diligence,
such notice shall be posted in a
conspicuous place upon said prem-
ises.

Section 3. If the owner or occu-
pant within the time fixed by
the Town Council pursuant to Sec-
tion 3 of this Ordinance, the
Town's Street Superintendent may
abate the same, and he shall ren-
der a bill covering the cost to the
Town of such abatement, includ-
ing the Street Superintendent's
expense, and mail the bill to the
property owner. If the property
owner fails or refuses to pay the
bill immediately, or if no bill is
rendered because he cannot be
found, the Town Clerk, in the
name of the Town, may file a lien
therefore against the property,
which lien shall be in the same
form, filed with the same officer,
and within the same time and man-
ner and enforced and foreclosed
as is provided by law for liens
for labor and material.

Passed August 24, 1967.

ORDINANCE NO 101

AN ORDINANCE of the Town of Gig Harbor, Washington, specifying and adopting a plan for the acquisition, construction and installation of a sanitary sewerage system for the town and declaring the estimated cost thereof, providing for the holding of a special election for the submission to the qualified electors of the town of the proposition of whether or not said plan shall be ratified and whether or not the town shall incur its general obligation bonds in the principal sum of not to exceed \$500,000 to pay part of the cost of carrying out said plan, authorizing the issuance of sewer revenue bonds of the town in the principal sum of not to exceed \$1,800,000 and declaring an emergency.

Whereas, the Town of Gig Harbor, Washington, does not presently

have a sanitary sewerage system; and

Whereas, the public health is being endangered by the lack of an adequate and proper system of sewerage, which danger may be abated by the acquisition, construction and installation of the sanitary sewerage system described and specified herein; and

Whereas, it is deemed necessary and advisable that the money necessary to acquire, construct and install the hereinafter described sanitary sewerage system be provided by the issuance and sale of general obligation bonds of the town in the principal sum of not to exceed \$500,000 and the issuance and sale of sewer revenue bonds of the town in the principal sum of not to exceed \$1,800,000; and

Whereas, the Constitution and Laws of the State of Washington require that the question of whether or not such general obligation

bonds may be issued for such purposes must be submitted to the qualified electors of the town for their ratification or rejection;

Now, Therefore, Be It Ordained by the Council of the Town of Gig Harbor, Washington, as follows:

Section 1. No. 2	Intersection of Purdy Drive and Harborview Ave.		

There shall also be acquired, constructed and installed the following sewage treatment and disposal facilities, force mains, pumps, lift stations, trunk sewers and interceptor sewers:

A. Sewage Treatment and Disposal.

1. Treatment Units

- a. Pretreatment Facilities, including pumping units, grit removal and shredding.
- b. Biological Treatment,

utilizing modified extended aeration process.

c. Clarification, in which liquid and solid fractions are separated.

d. Disinfection.

2. Effluent discharge to the center of the Harbor, consisting of effluent pumping unit and approximately 4,000 feet of 8-inch diameter pressure pipe.

B. Force Mains, Pump and Lift Stations

1. Force mains include approximately 800 feet of 4-inch pressure pipe carrying the discharge from lift stations, together with approximately 4,200 feet of 16-inch diameter pressure pipe and approximately 5,300 feet of 14-inch diameter pressure pipe which together will transport sewage from almost the entire service area to the treatment plant.

(Continued)

2. Pump Stations include a station near the intersection of Harborview Avenue and Purdy Drive with a pumping capacity of approximately 250 gallons per minute and a pump station on Harborview Avenue at Rosedale Street, capable of pumping approximately 2,000 gallons per minute.

3. Six lift stations, each of which will have capacities of less than 100 gallons per minute, are required to provide service for isolated areas along the periphery of the waterfront.

C. Gravity Trunk and Interceptor Sewers. With the exception of the following, all gravity sewers are 8-inch diameter pipe.

15-inch pipe: 1,200 feet

12-inch pipe: 600 feet

10-inch pipe: 2,100 feet

It is further provided that the above-described plans shall be subject to such changes as to details of pipe size, type and location, number and location of lift stations or other changes not substantially affecting the service provided by the main general plan as shall be authorized by the Town Council either prior to or during the course of construction.

It is further provided that any of the facilities herein provided for may be constructed and operated jointly with any other town, city, district or agency which may be able to so join with the town in such construction or operation.

Section 3. The estimated cost of acquiring, constructing and installing the above-described sanitary sewerage system is hereby declared to be as near as may be the sum of \$2,300,000.

Section 4. The town does hereby propose and adopt as an integral part of the plan for acquiring, constructing and installing said sanitary sewerage system for the town that for the purpose of providing part of the funds necessary to carry out said plan it shall issue and sell its general obligation bonds in the principal sum of not to exceed \$500,000.

Said bonds shall bear interest at a rate of not to exceed 6% per annum payable semi-annually, shall mature within twenty years from date of issue as authorized by law, and shall be issued in so far as possible within the addi-

tional or second five per centum limitation of indebtedness permitted towns for sewer improvements by the Constitution and Laws of the State of Washington. Both such principal and interest shall be payable out of annual levies of taxes to be made without limitation as to rate or amount. The exact date, form, terms and maturities of said bonds shall be as hereinafter fixed by ordinance of the town.

The town does hereby further propose and adopt as an integral part of said plan that for the purpose of providing part of the funds necessary to carry out said plan it shall issue and sell its sewer revenue bonds in the principal sum of not to exceed \$1,800,000.

Said bonds shall bear interest at a rate of not to exceed 6% per annum payable semi-annually and shall mature in various amounts and various years in not to exceed thirty years from date of issue. Both principal and interest of said bonds shall be paid from the gross revenue of the sanitary sewerage system of the town. The exact date, form, terms and maturities of said bonds shall be as hereinafter fixed by ordinance of the town.

Said general obligation and revenue bonds shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Town Council.

Section 5. It is hereby found and declared that an emergency exists requiring the submission to the qualified electors of the town at a special election to be held therein on the 7th day of November, 1967, of the proposition of whether or not the plan for acquiring, constructing and installing the sanitary sewerage system provided for herein should be ratified and whether or not said general obligation bonds should be issued. Such proposition to be so submitted to the qualified electors shall be as follows:

PROPOSITION

Plan for Sanitary Sewerage System and General Obligation Bonds

Shall the Town of Gig Harbor, Washington, acquire, construct and install the sanitary sewerage system specified in Ordinance No. 101 of the town, and to provide funds to pay part of the cost of carrying out said plan issue and sell its general obligation bonds in the principal sum of not to exceed \$500,000, said bonds to ma-

ture within twenty years from date of issue as provided by law, to bear interest at a rate of not to exceed 6% per annum, to be issued in so far as possible within the additional or second five per centum limitation of indebtedness permitted towns for sewer improvements by the Constitution and Laws of the State of Washington, and to be payable both principal and interest out of annual tax levies to be made upon all the taxable property within the town without limitation as to rate or amount, all as more specifically provided in said Ordinance No. 101 of the town?

BONDS, YES ☐

BONDS, NO ☐

The Pierce County Auditor is hereby requested to also find the existence of such emergency and to call and conduct said special election on said date and to submit to the qualified electors of the town the above-stated proposition.

The polls at such special election shall be open from 8:00 o'clock A.M. to 8:00 o'clock P.M.

Section 6. This ordinance is declared to be one necessary for the immediate preservation of the public peace, property, health and safety of the people of the Town of Gig Harbor, Washington. An emergency is hereby declared to exist and this ordinance is hereby declared to be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED by the Council of the Town of Gig Harbor, Washington, and approved by its Mayor at a regular meeting of said Council held this 14th day of September, 1967.
