The Town Council of the Town of Gig Harbor, Washington, has ordained as follows:

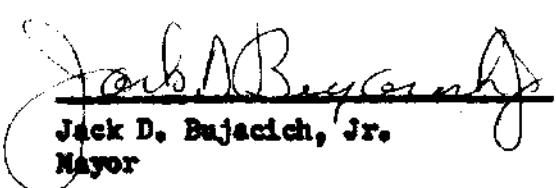

Section 1. Section 2 of Ordinance No. 218 of the Town, passed and adopted on March 24, 1975, is hereby amended to read as follows:

Section 2. BILLING: Billing shall commence on the first available date, which date shall be the same as the water billing date. New users shall pay a pro rata charge on the first available billing date. Charges shall be deemed delinquent if not paid within sixty (60) days following the billing date. A late charge equal to 10% of the delinquent service charge shall be imposed at the time of such delinquency, and interest at the rate of 8% per annum shall be charged on all delinquent service charges and late charges.

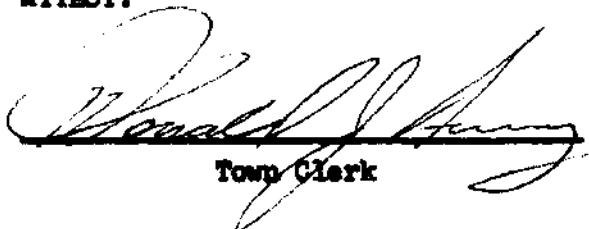

The Town, as provided by law, shall have a lien against the premises to which sewer service was furnished or available. At any time after such charges become delinquent the proper officials of the Town may file notice of such lien in the office of the County Auditor and take such steps to foreclose such lien as are provided by law.
