

## UNDER A GIG HARBOR MOON

Many a place I have come to embrace  
In this beautiful world that we share  
But there is one that I love best  
Far above all the rest  
There's a song that will take you there  
There's a misty silver veil above the Harbor  
And little lights reflecting on the Bay  
The air's so cool and clear  
Serenity here, Under a Gig Harbor Moon  
Shadowed Evergreens encircle the horizon  
While sailboats on their anchors gently sway  
A walk along the pier  
Brings paradise here, Under a Gig Harbor Moon  
The Lighthouse is the welcome of the Harbor  
It beckons all the fishing boats ashore  
And at an Inn that's nestled by the water  
A soft piano plays our favorite song  
So come along with me and I will show you  
A place where all of nature is in tune  
A cozy little town where love is all around  
Under a Gig Harbor Moon
