PUBLIC WORKS SEWER EXCEPTION APPLICATION

CITY USE ONLY

PUBLIC WORKS SEWER EXCEPTION PERMIT NUMBER: EN: _____

Fees: PUBLIC WORKS SEWER EXCEPTION FEE: \$2,000.00

Total Fees Paid: _____

PROJECT NAME: _____ Application Date: _____

Parcel Number: _____

Property Site Address: _____

REQUIREMENTS PER GHMC 13.28.100 E:

- 1: The subject lot is not within 200 linear feet as measured from the nearest property line along the path of sewer main construction to an existing public sanitary sewer; and
- 2: The subject lot in its current configuration was created prior to July 1, 1990; and
- 3: The septic system to be constructed will serve no more than one single-family dwelling unit or no more than one structure on the lot meeting the criteria of this subsection; and
- 4: The property owner shall record a notice against the lot, in a form approved by the city attorney (see attached), providing notice to all subsequent purchasers that the city's approval of a septic system under these procedures will not affect the city's ability to enforce any of the requirements of this section or this chapter (including the requirement to connect to a public sanitary sewer in the future) against the lot at any time in the future, as long as the conditions described in that subsection exist.
